

# VeloProject.com Cycling Club and Race Team Uniform Deal

The Board of directors of VeloProject.com has set many aggressive goals for the 2008 cycling season. To achieve these goals it is important to put our advertisers to the top of the list to ensure they have maximum exposure. By making uniforms affordable we will accomplish high visibility for the club and our advertisers. The Board of directors has put together a very affordable uniform deal to accomplish this task of maximum exposure.

## The Deal

The first 100 individuals who send in their \$20 membership can purchase a uniform which includes jersey, and bibs or shorts for and additional \$55. This is a membership in VeloProject.com and a complete uniform for the bargain price of \$75. We have selected Verge as our uniform supplier and have chosen the upgrade fabrics and pads. A fit kit will be available at Bicycle Toy and Hobby, and at Precision Health Design (Donna Lewis) dates to be announced.
